

# Gluten-free

a must for your menu

## Heinz Soups can offer solutions for your gluten-free needs.

With an increasing number of people adopting gluten-free diets, it's more important than ever to offer a robust variety of choices on your menu.

With savory varieties such as Baja Chicken Enchilada, Creamy Tomato Bisque and Manhattan Clam Chowder, Heinz Soups can help you meet the demand without compromising flavor.

## FACTS & FIGURES

Why gluten-free is a must for your menu

A gluten-free diet excludes the protein gluten, which is in grains such as wheat, barley and rye.

1/133

1 in 133 Americans are affected by Celiac disease\*

8%

8 percent of the U.S. population seek gluten-free products while shopping\*\*

20%

20 percent of Heinz Soups are gluten-free!
