Designer Dessert Sauces

Strawberry and Blackberry

are two of Lyons most unique and versatile Designer Dessert Sauces. Still perfect for plating and drizzling, these exciting new flavors have multiple applications that will encourage contemporary foodservice operators to be creative in all areas of their menus!

Strawberry

Fresh picked strawberries describes the flavor of this ultimate fruit sauce. Lyons developed a perfect blend of seedless strawberry puree, naturally sweetened and flavored making your taste buds come alive! The vibrant red color will enhance any menu concept.

Blackberry

Lyons Blackberry Designer Dessert Sauce is perfectly balanced with a sweet and slightly tart flavor. Made with a high content of seedless blackberry puree and natural ingredients makes this premium sauce a stand out for a variety of menu items. The deep purple color adds another design element for that signature menu item.

SERVING & PAIRING IDEAS:
