

## Tork® tools at your fingertips.

Say hello to Tork Connect, SCA's new customized distributor website. It's a central hub for a variety of value-added Tork tools and resources — when you need them, where you need them.

### Five ways Tork Connect works for you:

#### 1 Access Tork product details and specs

With the entire Tork product database now only a click away, you can easily review product details and instantly share spec sheets with your customers.

#### 2 Create a Customer Specific Tork Catalog

Put your own spin on the Tork catalog. Add your logo and customize the catalog to suit your customers' business needs so they can enjoy a personalized experience.

#### 3 Find a Tork product for every need

Use the Competitive Reference Guide to quickly discover and share comparable Tork products that fit your customers' space and needs.

#### 4 Continue to learn

Access all things Tork to help sharpen your knowledge of all Tork products and develop your skills.

#### 5 Stay up-to-date with Tork

Keep up with the latest products and services from Tork.
